The program will include the installation of the new

FeinSmith as Woman of the Year.

Elana is the founding president of Sequoia's
Hadassah Action Group for women in their
20's-40's . During her presidency, the group
grew from 13 members to over 150 mem-
bers. Currently the group has over 200
members, including over 150 life members.

Elana is a graduate of a 3-year Hadassah
Leadership Academy (HLA). She has also
recruited and lead two one-year Machon
HLA programs which have brought 20 lead-
ers into the Action Group.

She has been the Planned Giving chairperson for the Central Pacific
Coast Region and nominating committee chair for the Action
Group. She co-founded the Hadassah Action moms group, which
now has 80+ members, and she recruited the leadership to start Al
Gal-galim (Training Wheels). Elana and her husband, Jason, are
Young Founders, and she has just joined Keepers of the Gate.
